

WORD

study

success

Success is something that makes most people feel good. The phrases that are used to talk and write about it often contain positive images that reflect the degree of pleasure or satisfaction they feel.

being successful

carry the day
come into your own
go the distance
go up in the world
have the world at your feet
make it
make your mark
strike gold

carry it off
fall on your feet
go from strength to strength
hit the mark
make it big
make your name *or* make a
name for yourself
pass with flying colours

having a chance of success

have a fighting/sporting chance
be looking good

be in with a chance
